

Minutes of the Board of Ward County Commissioners  
March 23, 2016

The special meeting of the Ward County Commission was called to order by Vice Chairman Louser at 9:00 a.m. with Comm. Walter, Comm. Wepler and Comm. Nybakken present. Chairman Fjeldahl was available by telephone. Also present were Doug Larson and Scott Huber, representative from JLG Architects.

Larson presented proposal to remove and replace concrete floor in Juvenile Detention area. The current sloping of the floor was not noticeable when the room was occupied so was missed in the original bid plans.

Moved by Comm. Nybakken, seconded by Comm. Walter to approve Mattson Construction Proposal Request #14 in the amount of \$11,265.40. Roll call: all voted yes; motion carried.

At 9:20 a.m. with no further business, the meeting was adjourned.
